

PRODUCT SPECIFICATION

Product name
Applon (PL1/050124/C1)
Ingredients
Mixed Berry Juice Powder (Raspberry, Blueberry, Blackberry), Strawberry Powder, Isomaltitol, Ascorbic Acid, Acai Berry Extract, Lingonberry Extract, Sea Buckthorn Extract, Olive Fruit Extract Rice Ceramide, Apple Stem Cell, and Grape Stem Cell
Ingredient Functions
<p><u>Ascorbic Acid</u></p> <ul style="list-style-type: none"> • It is necessary for the growth, development and repair of all body tissues • Improves collagen formation and aids and wound healing • Rich in antioxidants that protects our cells from free radicals damages • Boosts immune system <p><u>Acai Berry Extract</u></p> <ul style="list-style-type: none"> • Rich in antioxidants • Slows down aging process • Boosts the immune system • Promotes good cholesterol levels • Aids in iron absorption and haemoglobin production <p><u>Lingonberry Extract</u></p> <ul style="list-style-type: none"> • Promotes skin whitening by inhibiting melanin production • Helps to reduce risks of skin inflammation • Helps to reduce UV-induced hyperpigmentation <p><u>Sea Buckthorn</u></p> <ul style="list-style-type: none"> • An ancient plant grown in the Tibetan Plateau • Contains a unique combination of polyphenols, proanthocyanidins, and bioflavonoids, that provide extensive health benefits • It offers a dual mechanism to help slow down the aging process by protect and repair mechanism • The proanthocyanidins from sea buckthorn protect cells from oxidative damages that causes aging • It triggers stem cell release and increases the number of circulating stem cells in the blood circulation • These stem cells have the potential to transform into other more specialized cells, helping to repair damaged tissues and organs in our body • Enhances collagen production, promotes collagen cross-linking and protects the skin from sunburn and photoaging • Provides cardiovascular benefits lowers LDL, serum Triglyceride, increases HDL and promotes vascular repairing • 5 times stronger than bilberry anthocyanidins in protecting eyes against visible light-induced retinal degeneration

Olive Fruit Extract

- Contains hydroxytyrosol
- Improve heart health such as improving blood flow and endothelial function
- Improve joint health
- Fight chronic inflammation and oxidation
- Important anti-aging and UV rays, skin whitening and anti-spots

Rice Ceramide

- The ceramides are located in the stratum corneum of the skin and play important roles in maintaining barrier function and protecting the skin against various foreign damages
- Contains glycosphingolipids that play an important part in maintaining the barrier function of the skin
- Improves the moisture barrier of the skin preventing dehydration of the skin
- Ceramide can inhibit the production of melanoma cells, thus promoting a whitening effects

Apple Stem Cell

- Is a patented liposomal preparation of apple stem cells derived from the 'Uttwiler Spätlauber', a rare Swiss apple variety
- Protects longevity of skin stem cells
- Increases the vitality of skin stem cells
- Combats chronological aging
- Increases the regenerative potential of the skin
- Improves both wrinkles and skin firmness in the eye contour area

Grape Stem Cell

- Derived from unique grape (*Vitis vinifera*) cultivar 'Gamay Teinturier Fréaux' originates from the Burgundy region of France and is characterized by its red flesh and juice due to the extremely high anthocyanin content
- Protects skin stem cells against UV stress
- Increases the skin's UV tolerance
- Fights photo-aging
- For a vital and healthy-looking skin

Direction

Direct consume 1-2 sachets/day.

Precaution/ warning

Insufficient studies on pregnant women and lactating mothers, should only be used under medical or dietician supervision. Consult with your physician if you are under any medication. Not suitable for children under 18 years old.

Storage

Store at room temperature (<25°C) in a dry place. Avoid direct sunlight or heat source.

Disclaimer

Color, taste, texture, and solubility may vary from batch to batch as the product contains natural ingredients.

Serving size

1.5g/sachet
